- **Online.** Students must complete an online application, before having access to their online account. Login to your account on the Student Portal. If you have enrolled on a course, the menu on the left will have an option to pay Tuition fees. This will direct you to Paypal or payment by credit or debit card.
- Payment can be made directly to the college bank; you shall need to use your online facility available with your bank account. As a reference, you should state your name and student number and course if possible. The college bank details to transfer the payment to are:

Please email studentfees@slc.ac.uk with any tuition fee enquiries.

Sponsor or Employer Funded

If your employer is paying for the course (partially or fully), a letter from them on company headed paper is required, or an email sent from the employer, to studentfees@slc.ac.uk. The email or letter should quote the student name, the course and the amount that the employer shall pay. The invoicing address must be clearly visible on the letter, or email.

For legal reasons we must have your employers' confirmation that they will pay all/part of your course costs before we can invoice them.

Please email studentfees@slc.ac.uk with any tuition fee enquiries.

Part Time Fee Grant (PTFG)

Students are eligible to apply to SAAS for a PTFG, if they have an individual income of £25,000 a year or less. SAAS approved courses are those between 30-119 SCQF credits in each year of a course of Higher Education or Continuing Professional Development at levels 7-10 of the Scottish Credit and Qualifications Framework (SCQF). Applicants should go to SAAS website <https://www.saas.gov.uk/part-time/undergraduate-funding> to register for a SAAS Account and to apply for funding.

Student Awards Agency for Scotland (SAAS)

Students who are on a **full time** HNC, HND, degree or equivalent course should apply to SAAS for funding and for payment of their tuition fees.

Visit the SAAS website at <https://www.saas.gov.uk/full-time/funding-information-undergraduate> to apply for you SAAS Account and funding, or to get more information about student funding. If you need a version of this guide in a format that suits your needs (for example, in large print or Braille), please contact SAAS on 0300 555 0505.

Fee Waiver

Part-time, evening or day release courses: If a student is in receipt of certain benefits, they **may** be eligible for a fee waiver, depending on the course of study. Please refer to the Part-Time Fee Waiver Policy, available from the South Lanarkshire College website.

https://www.slc.ac.uk/applicants/funding/College_Fee_Waiver_grant_policy

At the time of completing your online enrolment, the relevant Fee Waiver funding source **must be selected**. Evidence can be shown to your lecturer, who will verify the evidence, or email studentfees@slc.ac.uk with the required evidence. Until evidence of eligibility is received, the student is liable for the cost of the tuition fee.

See Fee Waiver Policy for acceptable forms of evidence.

International Students

Funding is provided for Scottish-domiciled or 'home fee' students, refugees and asylum seekers who have been properly enrolled, and whose learning is being supported and individual educational requirements are being met by the college.

For international students with no funding, **all fees must be paid in full prior to enrolment** on the course. International students will not be permitted to pay their fees by instalments.

Conditions of Non-Payment

Until Tuition fees have been paid in full; or

- a) A 20% deposit and a completed standing order agreement have been received; or
- b) A PTFG application has been processed; or
- c) Fee waiver evidence supplied; or
- d) A copy of an Employer Letter or email advising that the employer will pay the tuition fees has been received,

then, South Lanarkshire College will only enrol a student on the course provisionally. This will be reviewed after 14 days from enrolment.

In the situation where fees have not been paid, South Lanarkshire College reserves the right to withdraw students from the course and/or to withhold Certificates and results for non-payment of fees by the end of the academic session.

The account shall also be passed to a Debt Collection Agency with an additional charge of £25.00 added.

It is, therefore, imperative that students make the appropriate arrangements to pay for tuition fees.

The payment of tuition fees is the responsibility of the student. If the fees are to be funded by SAAS (including the PTFG (part-time fee grant), or by Fee Waiver, it is the students' responsibility to ensure that they apply for funding and submit all relevant proof where required.

If students are paying their own fees they must do so in full, or arrange to pay before, or at the time of enrolment.

Please email studentfees@slc.ac.uk with any tuition fee enquiries.
